FOOD PRODUCTION--S.Kanara--Puttur Taluk--Koila Village formation of a cooperative land colonisation society resurvey work--Survey staff--Extension of time--requested.

In G.O. Ms.No.28 x Revenue, dated 4-1-52 the Government were pleased to sanction the appointment of a special staff of one Deputy Surveyor for a period of 2 months from the date of appointment, 4 coolies for 40 days and 40 coolies for 4 days for the re-survey work connected with the formation of a Cooperative land colonisation society in Koila Village, Puttur taluk. The Dy. Surveyor so sanctioned joined duty on 4-11-53. Though the period of sanction expired on 3-1-1954, the special staff could not be disbanded as the work was xx not completed within the period of sanction. The area ordered for resurvey is a hill block with full growth of jungle trees and thorny bushes the clearing of which involved a great deal of labour. The preliminary survey conducted by the Dist. Surveyor in 1951 showed that most of the theodolite stones onthe boundary between Koila and Alandur villages where missing and that the recorded measurements for such of the stones as were then available on ground did not agree with the actual measurements obtained by him. Consequently the entire area has to be resurveydd carefully and the ork involved was ardous.

2. The Dist. Surveyor who inspected and checked the work recently reports that out of the 380 acres the special surveyor has completed 300 acres by 15-1-54, that he has turned out good progress within the period of sanction and that due to the inconvenience caused in clearance of jungle growths and thorny bushes and also other practical ~~ddiffx~~ difficulties, he could not complete the work within the period of sanction. The continuance of the special staff beyond 3-1-1954 on which date the period of sanction expired, has therefore been allowed in anticipation of sanction with a view to see that the work is completed without any break. My action may be approved.

3. In the circumstances stated above, I request that the Board may be pleased to move the Government to accord sanctionfor the appointment of the special Dy. Surveyor for a further period of one month from 4-1-54 to 3-2-54 by which time the resurvey work is expected to be completed. I am taking action to disband the staff with effect from 4-2-54, with regard to the additional number of coolies engaged for completing the work and the period of their employment a supplemental report will be submitted after ascertainment ascertaining the details.

In continuation of para 3 of this office report cited above, I submit that a total number of 348 coolies were employed during the period of 4-11-53 to 3-2-54 on which date the special staff was disbanded, while the total number of coolies sanctioned in G.O. No.28,Revenue, dated 4-1-1952 was only 320. An additional number of 28 coolies was employed during the period from 4-11-53 to 3-2-54 over and above the number of coolies sanctioned inthe G.O. referred to above. I therefore request that the Board may be pleased to obtain sanction for the employment of 28 additional coolies for the work.
